March 26, 2025

1. Agreement Overview

These Terms and Conditions constitute a rental agreement ("Agreement") between the rental company ("Company") and the customer ("Renter") for party rentals. By signing this Agreement, the Renter agrees to abide by all the terms and conditions specified herein.

2. Eligibility for Renting

The Renter must be at least 21 years old and possess a valid identification. The Renter must also present a valid credit card in their name at the time of rental.

3. Rental Period

The rental period is specified in the rental agreement form. The rental period begins at the time the party equipment is picked up or delivered and ends when the equipment is returned or picked up by the Company. Late returns may incur additional charges.

4. Equipment Use

The rented equipment is to be used only for lawful purposes and in accordance with the intended use. The Renter must comply with all safety guidelines and instructions provided by the Company. The equipment must not be used for any illegal activities or in a manner that could cause harm or damage. The Renter is responsible for all fines, penalties, and charges incurred due to misuse of the equipment.

5. Insurance and Liability

The Company provides basic insurance coverage as required by law. The Renter is responsible for any damage to the equipment not covered by insurance. Additional insurance coverage can be purchased at the time of rental. The Company shall not be liable for any injury, loss, or damage caused by the use of the rented equipment. The Renter agrees to indemnify and hold the Company harmless from any claims, damages, or expenses arising from the use of the equipment.

6. Delivery and Setup

The Company will deliver the rented equipment to the main floor only, with no stairs involved, and will not provide setup services. The Renter must ensure that the delivery location is accessible and safe for this purpose. Any delays or extra costs due to inaccessible locations will be billed to the Renter.

7. Maintenance and Care

The Company is responsible for regular maintenance and repairs of the equipment. The Renter must notify the Company of any issues with the equipment immediately. Unauthorized repairs or modifications to the equipment are prohibited.

8. Breakdown and Accidents

In the event of a breakdown or accident involving the rented equipment, the Renter must contact the Company immediately. The Renter must follow the Company's instructions regarding repairs and replacements. Any accidents must be reported to the Company and, if applicable, to local authorities.

9. Payments and Deposits

The rental charges, including any deposits, are specified in the rental agreement. The Renter authorizes the Company to charge the credit card on file for any additional charges incurred during the rental period, including but not limited to, late return fees, damage fees, and delivery charges.

10. Cancellation and No-Show Policy

Cancellations made more than 7 days before the rental period begins are eligible for a full refund. No cancellations are allowed within 7 days prior to the rental period. No-show rentals will be charged the full rental amount.

11. Termination of Agreement

The Company reserves the right to terminate the rental agreement at any time for any reason. The Renter must return the equipment immediately upon termination of the agreement.

12. Governing Law

This Agreement is governed by the laws of the state in which the rental company operates. Any disputes arising from this Agreement will be resolved in the courts of that state.

13. Amendments

The Company reserves the right to amend these Terms and Conditions at any time. Any amendments will be effective immediately upon notice to the Renter.

14. Entire Agreement

This Agreement constitutes the entire agreement between the Company and the Renter. No other agreements, representations, or warranties, whether oral or written, will be considered part of this Agreement unless expressly stated herein.

15. Contact Information
